Property in these townships, other than farmland, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken.

1. Contact your township assessor to review the assessment.
2. If not satisfied with the assessor review, taxpayers may file an appeal with the Lee County Board of Review. For appeal forms, instructions, and the Rules and Procedures of the Board of Review, visit [www.leecountyil.com](http://www.leecountyil.com), or call (815) 288-4483.
3. The final filing deadline for your township is 30 days from this publication date. After this date, the Board of Review is prohibited by law from accepting assessment appeals.

**Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, visit [www.leecountyil.com](http://www.leecountyil.com) or call (815) 288-4483.**

Your property tax bill will be calculated as follows:

*Final Equalized Assessed Value - Exemptions = Taxable Assessment*

*Taxable Assessment x Current Tax Rate = Total Tax Bill.*

All equalized assessed valuations are subject to further equalization and revision by the Lee County Board of Review as well as equalization by the Illinois Department of Revenue.

Questions about these valuations should be directed to:  
Lee County Assessment Office  
112 E Second St  
Dixon IL 61021  
815-288-4483  
Office Hours: 8am – 4:30pm M – F

Property in these townships, other than farmland, is to be assessed at a 33.33% median level of assessment, based on the fair cash value of the property. You may check the accuracy of your assessment by dividing your assessment by the median level of assessment. The resulting value should equal the estimated fair cash value of your property. If the resulting value is greater than the estimated fair cash value of your property, you may be over-assessed. If the resulting value is less than the fair cash value of your property, you may be under-assessed. You may appeal your assessment to the Board of Review.

If you believe your property's fair cash value is incorrect or that the equalized assessed valuation is not uniform with other comparable properties in the same neighborhood, the following steps should be taken.

10. Contact your township assessor to review the assessment.
11. If not satisfied with the assessor review, taxpayers may file an appeal with the Lee County Board of Review. For appeal forms, instructions, and the Rules and Procedures of the Board of Review, visit [www.leecountyil.com](http://www.leecountyil.com), or call (815) 288-4483.
12. The final filing deadline for your township is 30 days from this publication date. After that date, the Board of Review is prohibited by law from accepting assessment appeals.

**Your property may be eligible for homestead exemptions, which can reduce your property's taxable assessment. For more information on homestead exemptions, visit [www.leecountyil.com](http://www.leecountyil.com) or call (815) 288-4483.**

Your property tax bill will be calculated as follows:

$$\begin{aligned} \text{Final Equalized Assessed Value} - \text{Exemptions} &= \text{Taxable Assessment} \\ \text{Taxable Assessment} \times \text{Current Tax Rate} &= \text{Total Tax Bill.} \end{aligned}$$

All equalized assessed valuations are subject to further equalization and revision by the Lee County Board of Review as well as equalization by the Illinois Department of Revenue.
